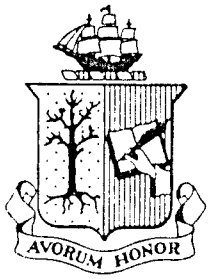
Is Your Name Here?

BELOW are the names of some of the most distinguished American families. Our research staff has, over a period of years, completed a manuscript history of each of these families. If your surname is listed you should have your manuscript. We believe you will find it not only of keen interest, but a source of pride and satisfaction for yourself and your kinsmen.

THESE FAMILY HISTORIES $2.00 EACH



Each manuscript is a GENEALOGICAL and HISTORICAL study of the family from earliest times. It records the origin and growth of the family in Europe; its place among the gentry there; its part in the early settlement and subsequent history of America, including service in the Revolutionary War; and its achievements and leading representatives in this country. The derivation and meaning of the name are traced; recurrent family traits are brought out; and genealogical data on various lines are set forth. A valuable bibliography is included, as well as the authoritative description of a family coat of arms.

Each history is a separate and distinct work painstakingly compiled from the most authentic sources. Reproduced on fine paper and bound in a handsome black cover stamped in silver ink, it is suitably designed for filing among your family records or other documents.

With your order we will send *The Romance of Coats of Arms*, an informative, unique Bureau publication that is illustrated in full color. If you order promptly we will also include, at no extra cost, our specially designed Ancestry Chart (regularly 35 cents). It measures 17 by 22 inches and contains spaces in which to record the names of your ancestors in all lines for eight generations.

Following is our latest list. The coupon or a letter, with $2.00 (no other charge), will bring you your manuscript, the *Romance*, and the Ancestry Chart by return mail. Any two manuscripts may be had for $3.75, any three for $5.00. MEDIA RESEARCH BUREAU, 1110 F Street, Washington, D.C.
